

IHEC has a meeting with Ministry of Trade officials

Commissioners of the IHEC Board and IEAT met Ministry of Trade delegation officials on Wednesday, November 25, 2009 at the IHEC National Office. The delegation consisted of managers-general of MoT sections: Private Sector Division, Planning & Rationing Division and directors of Computer Department, Rationing Department and Census & Information Department. Several joint-interest issues were discussed.

MoT has offered its full assistance available any time or in any area, such as population figures and information.

The IHEC has expressed its appreciation for the Ministry's efforts and assistance, and for providing accurate information. The delegation has praised IHEC's efforts to make the election successful.

MoT has been requested by the IHEC to dispatch a technical team to cooperate with IHEC to audit the updated Voter List data; it has also been requested to provide the IHEC with 2005 population figures in preparation for auditing and applying them, if the last amendment to the electoral law is approved.
