Applications from qualified female candidates are especially encouraged, as well as the internal and external candidates are eligible to apply to this vacancy. For the purpose of the vacancy, the internal candidates are considered as first-tier candidates.

Context/Reporting line:

IOM Iraq was established in 2003, and has built a strong network of staff, offices and logistics capacity. With more than 1,500 staff and main offices in Baghdad, Erbil, and Basra and 16 sub-offices in key locations, IOM works in cooperation with the Government of Iraq to provide support across all of Iraq’s 18 governorates. IOM works in partnership with UN agencies, Non-Governmental Organizations (NGOs) and Community Service Organizations (CSOs) as a member of the United Nations Country Team (UNCT) for Iraq.

Under the overall supervision of the Head, Migration Health Unit, and the direct supervision of the Migration Health Officer, the incumbent will be responsible for the following:

Core Functions / Responsibilities

1. Performs both routine and sensitive clinical tasks required by the Migration Health Physicians during Migration Health Assessments, in particular: Positively identify refugee migrants prior to their Laboratory and Radiology examinations, ensure antifraud measures are fully implemented at these stages of Migration Health Assessment, decode serology results (if requested by the supervisors), take and record medical history, perform anthropometrics, visual acuity and vital signs measurements. Also liaises with the data processing team to make appointments for Drs’ examination.
2. Prepares, install or sterilizes medical equipment needed for medical examination.
3. Requests and re-stocks required medical supplies and drugs and medicines.
4. Monitors and reports expiration dates of drugs/vaccines and medicines and refers to Project Manager for disposal.
5. Maintains and safe-keeps medical kits used by medical escorts and staff on duty mission.
6. Perform medical escort duties within/outside Iraq when required.
7. Performs pre-departure medical checks and administers treatment for traveling refugees/migrants.
8. Coordinates with the TB assistant about work at the TB clinic-or the national TB program.
9. Ensures timely return of all completed medical forms to the respective embassies, High commissions and Data Processing unit.
10. Maintains confidentiality of information and collaborative relationship with clients, partners and health professionals.
11. Performs any other duties that may be assigned by from time to time.
